SKIN CARE

Skin Creams, Body Lotions along with Face & Body Scrubs are multi-purpose & enriched with a variety of enhancers and therapeutic components like Vitamins A and E, Aloe, Saffron, Milk & many more that are absorbed by the Skin providing essential nourishment thus protecting skin while keeping it soft and supple smooth. An extensive range of deep-cleansing, healing acne scars or hyper-pigmentation, brightening creams & lotions that provide a gradual illumination of the skin tone and creating new formulations for reputed companies in the Industry.

FACE AND BODY SCRUB

Our trend setting, Facial and Body Scrub Creams are composed of special exfoliating granules that provide extra ordinary benefits which go beyond what a bar of soap can do. The healing ingredients gently remove dull skin and dry out blemishes leaving the skin feeling refreshed, soft and polished.

BODY LOTION

Our Body lotions help discover true beauty as they combine natural oils, rich anti-oxidants, and other extracts to moisturize and hydrate user’s skin. These moisturizers are infused with essential oils and fragrances for a sensational feel. Also, the accurate composition of elements makes them easy to spread, quickly absorb and feel very light on the skin thus bringing out user’s natural glow.

SKIN WHITENING LOTION

Our skin whitening beauty lotions are most appreciated by our overseas clients for their spectacular packaging design, also enhanced with rich extracts of Alba to nurture user's skin making it an ultimate skin care product
